## GRAB A JAB WITH THE JAB CAB

Residents can grab a free journey to get a Covid vaccination with the Jab Cab. Available until 31<sup>st</sup> March, everyone in Norfolk and Waveney can get a free return taxicab return journey to a vaccination site to receive a COVID-19 jab. This can be arranged from school, home, or place of work.

The journey will be free of charge and there's nothing to pay up front, so it's easy and convenient.

NHS Norfolk and Waveney CCG, in collaboration with system health and care partners, is offering the Jab Cab service to support anyone who needs a first, second, or booster jab to attend any vaccination site or walk-in clinic to get their jab.

In order to claim your free journey, simply <u>book your COVID-19 jab online</u> or check which <u>walk-in centre</u> you'd like to visit. Then call a participating local taxi company and book your Jab Cab. <u>Click here to see a list of</u> <u>participating taxi companies</u> and find out more about the offer.

We've also pulled together a short explainer video to show how quick and easy it is to book your free Jab Cab, watch it at <u>Get your vaccination with the Jab Cab - YouTube</u>
