

Dear Jo

The agreement of the 24 October is with the Parish Council. However, anyone is entitled to comment on a planning application throughout the process until a decision is issued. To ensure that comments made are contained within my DMC written report, however, they should be submitted two weeks prior to the Development Management Committee meeting and if necessary any late comments can be given as a verbal update to members at Committee. As it stands at the moment we are aiming for the DMC meeting on 7 November, so 24 October would be two weeks before.

Notwithstanding the above, I would encourage any comments to be made well before this date if possible.

As you are probably aware that we have yet to receive the Viability Report, once this is submitted I will formally reconsult all consultees, neighbours etc. again for a period of 21 days, to enable further comments to be made.

On the website, once the 'neighbour consultation' period expires (7 September), it does not allow any further comments to be submitted via our site (comments made by emails to planning@s-norfolk.gov.uk, myself and posted letters are not effected) therefore to be helpful I have extended the 'neighbour consultation' period on the website until the **27 September**, to enable comments to be still be submitted.

Please do not hesitate to contact me should you wish to discuss.

Kind regards

Claire

Claire Curtis

Senior Planning Officer

Dear Claire,

Thank you for your email.

Please would you clarify if the extension to 24th October applies to everyone (ie the general public) or is this just for the Parish Council?

I look forward to hearing from you shortly.

Kind regards

Jo Andrews

Subject: FW: Planning Application 2018/1780

Dear Jo

Thank you for your email.

I fully appreciate the importance of the Parish Council's role and comments in the determination of this application, however the application's 13 week statutory determination period expires on the 9 November 2018 and therefore it is likely to be heard at the DMC meeting on 7 November 2018. In view of this I am unable to grant your request for an extension until 7 December 2018 to ensure that your views are available and taken fully into consideration.

I am however happy to agree to an extension to 24 October (just under 7 weeks) which will enable the Parish Council's comments to be included within my written report. You can also add to your initial comments throughout the process if that is a concern.

Please do not hesitate to contact me if you wish to discuss.

Kind regards
Claire

Dear Sirs,

Given the size of this application and the importance of the Parish Council's response, we would respectfully request an extension of time of 3 months from the date you have requested comments by - taking the date forward to 7th December 2018. This will give the Parish Council time to submit a properly considered response. Please confirm that this proposal is acceptable.

Many thanks

Jo Andrews

Clerk to Brooke Parish Council
